SUBJECT: DARFUR/UNAMID: REVIEWING STABILIZATION POLICE
TRAINING WITH THE GOI

REF: A. STATE 42003

[1](#)B. JAKARTA 146 AND PREVIOUS

[1](#)1. (U) This message is Sensitive but Unclassified -- Please handle accordingly.

[1](#)2. (SBU) SUMMARY: Mission reviewed Ref A points with the GOI on April 25. Mission encouraged the GOI to commit a second tranche of Indonesian National Police to Darfur and to take advantage of the special training offered at the COESPU facility in Vicenza, Italy, in July. The Indonesian government responded that it is planning to send a second tranche of police to Darfur and is seriously considering the COESPU offer. END SUMMARY.

[1](#)3. (SBU) On April 27, Poloff delivered reftel points to Fikry Cassidy, Deputy Director for International Security at the Department of Foreign Affairs (DEPLU). Poloff reiterated USG support for Indonesia's contribution of stabilization police to UNAMID in Darfur (ref B) and underscored the need for further contributions from the international community. Cassidy stated that the GOI remained fully committed to supporting UNAMID and was happy that it could make a contribution to the UNAMID force. (note: The first tranche of INP peacekeepers is scheduled to depart for Darfur in late May.)

[1](#)4. (SBU) Poloff also noted that Indonesia could take advantage of a targeted training course given at the Center for Excellence for Stability Police Units (COESPU) in Vicenza, Italy, in July. The course is for police going to Darfur. This would be the first targeted COESPU course for countries planning to deploy formed police units for a

particular mission. Cassidy noted that the GOI is familiar with COESPU and would seriously review the offer.

15. (SBU) Cassidy informed poloff on April 30 that the Indonesian police planned to send a second tranche of officers to Darfur in 2009 and was creating a list of 15 proposed candidates for the proposed COESPU training. He said every effort would be made to submit the list requesting the training by the May 5 deadline.
